

**WARRANTY**  
**INFINITY NEW ENERGY**  
**LIMITED WARRANTY CERTIFICATE**  
**CRYSTALLINE SOLAR PHOTOVOLTAIC MODULES**

**Infinity New Energy Co.,Ltd** (hereafter is simplified as “Infinity new energy”) warrants to the Final Customer of Buyer that this INE brand product as  
Mono/Poly Solar Module

**INE-200M—INE-325M**

**INE-200P—INE-315P**

(the product), when shipped in its original container, will be free from defective workmanship and materials under normal application, installation, use and service conditions., and agrees that it will, at its option, either repair the defect or replace the defective Product or part thereof with a new or remanufactured equivalent at no charge to the purchaser for parts or labour for the periods set forth below.

This warranty does not apply to any appearance items of the Product nor to the additional excluded items set forth below nor to any Product the exterior of which has been damaged or defaced, which has been subjected to misuse, abuse, abnormal service or handling, or which has been altered or modified in design or construction. In order to enforce the rights under this limited warranty, the purchaser should follow the steps set forth below and provide proof of purchase to INE.

The limited warranty described herein is in addition to whatever implied warranties may be granted to purchasers by law.

**ALL IMPLIED WARRANTIES INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR USE ARE LIMITED TO THE PERIODS FROM THE DATE OF DELIVERY SET FORTH BELOW.**

Neither the sales personnel of INE nor any other person is authorized to make any warranties other than those described herein, or to extend the duration of any warranties beyond the time period described below on behalf of INE.

The warranties described herein shall be sole and exclusive warranties granted by INE and shall be the sole and exclusive remedy available to the purchaser. Correction of defects, in the manner and for the period of time described herein, shall constitute complete fulfilment of all liabilities and responsibilities of INE to the purchaser with respect to the Product and shall constitute full satisfaction of all claims, whether based on contract, negligence, and strict liability otherwise. In no event shall INE be liable, or in any way responsible, for any damages or defects in the Product which were caused by repairs or attempted repairs performed by anyone other than INE or authorized service providers. Nor shall INE be liable or in any way

responsible for any incidental or consequential economic or property damage. INE's aggregate liability, if any, in damages or otherwise, shall not exceed the invoice value as paid by the purchaser, for the single unit of the INE Photo Voltaic (INEPV) module.

**Warranty Period for this product:**

The warranty period for material defects and workmanship is 12 years from the date of delivery. The warranty period with respect to power output continues for a total of 25 years from date of delivery, the first 10 years at 90% of the power output as specified in INE's Product Specification, provided that such loss in power is determined by INE (at its sole and absolute discretion) to be due to defects in material or workmanship at STC and the balance of 15 years at 80% of the power output as specified in INE's Product Specification, provided that such loss in power is determined by INE (at its sole and absolute discretion) to be due to defects in material or workmanship at STC.

**Additional Items Excluded from Warranty Coverage:**

Warranty coverage does not apply when:

- a) The Product is improperly installed or abused or misused
- b) The Product is installed in a mobile or marine environment, subjected to improper voltage or power surges or abnormal environmental conditions (such as acid rain or other pollution),
- c) The components in the construction based on which the module is mounted are defective
- d) External corrosion, mold discoloration or the like occurs
- e) Defects caused by the Product being subjected to any of the following: extreme thermal or environmental conditions or rapid changes in such conditions, corrosion, oxidation, unauthorized modifications or connections, unauthorized opening or repair, repair by use of unauthorized spare parts, accident, force of nature (such as lightning strike), influence from chemical product or other acts beyond INE reasonable control (including but not limited to damage by fire, flood, etc.)
- f) Death or injury to persons resulting from any cause other than negligence of INE, its employees or representatives; and
- g) Incidental, consequential or special damages such as loss of use, loss of profits, revenues, business, goodwill, damage to reputation or expensed payable to a third party.

**Various:**

The repair or replacement of the INEPV modules or the supply of additional INEPV modules does not cause the beginning of new warranty terms, nor shall the original terms of this "Limited Warranty for INEPV Module" be extended. Any replaced INEPV modules shall become the property of INE made for their disposal. INE has the right to deliver another type (different in size, colour, shape and/or power) in case INE discontinue producing the replaced INEPV modules at the time of the claim.

**Force Majeure:**

INE shall not be responsible or liable in any way to the purchaser or any third-party arising from any non-performance or delay in performance of any terms and conditions of sale, including this "Limited Warranty for INEPV Module", due to acts God, war, riots, strikes,

unavailability of suitable and sufficient labour, material, or capacity or technical or yield failures and any unforeseen event beyond its control, including, without limitations, any technological or physical event or condition which is not reasonably known or understood at the time of the sale of the INEPV Module the claim.

**Warranty Claims:**

If the purchaser feels a justified claim covered by this “Limited Warranty for INEPV Module”, an immediate notification directly to INE at the address shown below shall be filed. Together with the notification, the purchaser should enclose the evidence of the claim with the corresponding serial number of the INEPV Modules and the invoice on which the INEPV Modules have been purchased.

Be sure to have Proof of Purchase available such as the receipt. The return of any INEPV Modules will not be accepted unless prior written authorization has been given by INE. If the purchaser ship the Product, be sure it is insured and packaged securely, INE will not be responsible for any transportation charge, customs clearance or any other costs for return of the INEPV Modules, or for reshipment of any repaired or replaced INEPV Modules, or costs related to installation, removal or reinstallation of the INEPV Modules. In case of any discrepancy in a warranty-claim, a first-class international test-institute such as TUV Rheinland in Cologne, Germany or Arizona State University, USA shall be involved to judge the claim finally. The final explanation right shall be borne by INE. Warranty claims will not be honoured if the type or serial number of the INEPV Modules have been altered, removed or made illegible.

**Severability:**

If a part, provision or clause of this “Limited Warranty for INEPV Module”, or the application thereof to any person or circumstance, is held invalid, void or unenforceable, such holding shall not affect and shall leave all other parts, provisions, clauses or applications of this “Limited Warranty for INEPV Module”, and to this end such other parts, provisions, clauses or applications of this “Limited Warranty for INEPV Module” shall be treated as severable.
